* Boarders attend Sunday to Saturday. If staying for two one-week sessions additional fees apply for our Sunday excursion program.

Please be advised that our summer camp program consists of 2 three-week sessions which are carefully designed to provide a unique and well balanced summer experience for each individual to receive sufficient instruction, guidance and coaching in the many diverse lessons, activities and excursions on offer. Only campers that attend for a minimum of three weeks will be eligible for our award programs.

Since new campers generally need 2–4 days to become fully integrated into the camp community, shorter sessions barely provides time to fully appreciate the camp community and its role models. We thoroughly recommend choosing three-week sessions, to get the most out of our programs.

Day campers attend Monday to Friday from 08.40 to 17.45 and begin the program the Monday after the camp session begins for boarding campers.
