

LOVELL INTERNATIONAL CAMPS LEADERSHIP TRAINING PROGRAM

Leadership Training Program (16 - 18 Year Olds)

Our Leadership Training program is for participants ages 16 to 18 years. Trainees will participate in hands-on seminars to gain knowledge about leadership styles, working with children, conflict resolution and professionalism.

Young leaders gain first-hand work experience in program planning and implementation of these programs for children. They will also be able to explore the local area on weekend excursions and overnight hikes.

Individuals can choose to have lessons in English or French while attending the program. The working language of the course is English and thus communication skills in this language are further developed.
