\* Boarders attend Sunday to Saturday. If staying for two one-week sessions additional fees apply for our Sunday excursion program. Please indicate # of sessions and start date above.

Please be advised that our summer camp program consists of 2 three-week sessions which are carefully designed to provide a unique and well-balanced summer experience for each camper to receive sufficient instruction, guidance and coaching in the many diverse lessons, activities and excursions on offer. Only campers that attend for a minimum of three weeks will be eligible for our award programs.

Since new campers generally need 2-4 days to become fully integrated into the camp community, shorter sessions barely provide time to fully appreciate the camp community and its role models. We thoroughly recommend choosing three-week sessions, to get the most out of our programs.
